### **Enjoy a holiday of a lifetime with Adventure Base**

Adventure Base, the independent chalet rental company based in the heart of the French Alps, offers holidays of a lifetime in some of the most beautiful surroundings in the world.

Based in the Portes du Soleil and the Chamonix Valley, Adventure Base was created in the summer of 2008 with the aim of providing flexible, luxury, as well as affordable, accommodation allowing guests to ski, climb, bike or relax to their hearts content.

Six years later and Adventure Base has increased its portfolio to now include multiple chalets and apartments across various European resorts as well as a growing list of Alpine Adventure packages.

Offering both fully catered luxury chalets and self-catered apartments, in both the summer and winter months, Adventure Base ensures that every budget and need is met.

Mountain destinations for summer holidays are becoming more and more popular as the beaches become increasingly crowded. If you are looking for the perfect relaxing break, fresh air, great views and countless activities then look no further than Chamonix in the summer.

Aiming to make your holiday as smooth as possible, Adventure Base can help with every last detail; whether the wish is to add some activities to your stay or to book a variety of extras while you're away, their dedicated team of holiday experts can help.

All the Adventure Base properties are located within a short walk of the mountain trails for beautiful hikes or runs. The holiday company also provides a number of exciting adventures to make the most of your time off, from white water rafting to mountain biking.

As well as fantastic holiday rentals in Morzine, Chamonix and Meribel, Adventure Base works closely with their sister company, Dream Guides, to provide clients with the best in mountain guiding, be it off piste skiing, climbing Mont Blanc, alpine climbing, summer rock, snowshoeing and more.
