DAVE TACKLES MT TOUBKAL

DAVE TACKLES MT TOUBKAL

We hope you enjoyed Dave's video of tackling Mt Toubkal in the Atlas Mountains.

If you want to know more about the climb you can head to the climb Toubkal page [here](#) and discover what it's all about. Or if you're after a little more snow in your life, you can head to our [courses](#), [mountaineering](#) or [skiing](#) pages.

If you're not quite sure where to start the feel free to reach out to us [here](#) to see how we can help.

Enjoy a cultural rollercoaster ride from the bustling streets of Marrakech to the wild and quiet Atlas Mountains in just 5 days. Climbing Toubkal, the highest peak in North Africa at 4167m, is challenging but suitable for newcomers to trekking mountains. The combination of mountain and culture on this trip is what makes it extra special.
