# EVEREST BASE CAMP FAQ'S

Everest Base Camp has been a popular destination for trekkers since the very first expeditions to the Nepalese side of Everest in 1953. To reach this part of the Himalaya within a limited time, we have devised this 14 day trek to Everest Base Camp all the while surrounded by some of the highest peaks in the world.

As well as stunning scenery everywhere you look, your time spent in the country is packed full of cultural experiences as you immerse yourself in the Sherpa way of life. Our staff are well paid, well equipped and fully insured. Sherpas and guides working on our trips are well looked after and we prioritise good wages and treatment over trying to be price competitive. Your money has a direct positive impact.

## YOUR FAQ'S

As this is a once in a lifetime trip you've probably got lots of questions, which is why we've recorded a short FAQ's video with Kenton Cool (14x Everest summiteer) to hopefully ease some of your concerns and paint an inspiring picture of the trip at the same time.
