

A climber wearing an orange jacket, blue backpack, and black pants is seen from behind, ascending a snowy mountain ridge. The climber is holding a yellow ice axe in their right hand and a rope in their left. The sky is a clear, vibrant blue, and the snow is bright white. The climber's shadow is cast on the snow in the foreground.

DAVES JOURNEY: CLIMBING MONT BLANC

DAVES JOURNEY: CLIMBING MONT BLANC

We hope you enjoyed seeing how Dave got on during his adventure up Mont Blanc. It's a pretty special trip and one many of our clients look back on fondly. It was a pleasure getting to know him and having him out with us and we couldn't be more pleased he got to the top.

We don't just organise Mont Blanc climbs though. We also run some of the best trekking trip in the Alps (Like the Tour Du Mont Blanc) and some amazing ski adventures (Like the Haute Route Ski Tour).

If you're not quite sure where to start the feel free to reach out to us here and we'd only be too happy to discuss your needs.

CLIMB

[CLIMB MONT BLANC](#)

Climb Mont Blanc (4810m) the highest peak in Western Europe. It's a beautiful, imposing and highly sought after summit that sits at the roof of the Alps on the border of France and Italy. If your adventure juices are flowing, then keep on reading...

[UK WINTER SKILLS](#)

If you are new to winter mountaineering, or just need to dust off the cobwebs, this practical trip will cover everything you need to know in order to stay as safe as possible in the mountains, whilst having an awesome time exploring and taking in new experiences.

[CLIMB THE MATTERHORN](#)

The Matterhorn is probably the most iconic peak out there in the mountains. Rising behind the charming town of Zermatt on the Swiss / Italian border this is a highly sought after summit for mountaineers and adventurers alike. Daring, dramatic and intimidating this is one of our favourite mountains to guide.

[CLIMB THE EIGER](#)

The Eiger is one of the most sought after summits in the Alps and a formidable challenge for any keen mountaineer. Located in the Bernese Alps of Switzerland, this is a major Alpine classic steeped in historic tales of heroic climbing. On this trip we climb via the Mittellegi ridge. Got what it takes?

[CLIMB THE MONTE ROSA](#)

Monte Rosa lies on the border between Switzerland and Italy and is one of the best kept secrets in the Alps. The highest peak of the range is the Dufourspitze (4634 m) which is the highlight of four peaks you climb on this stunning mountain adventure. Speak to any mountaineer whose taken this trip and they'll tell you how truly special it is.

[CLIMB ELBRUS](#)

Elbrus is the highest mountain in Europe, one of the 7 summits and is perfectly suited for expedition style mountaineering. A great way to get a taste of what it's like mountaineering at 5642m above sea level.

[CLIMB ACONCAGUA](#)

Climb Aconcagua, the highest peak in the South American Andes, and the highest peak outside of Asia at 6962m. Tick off one of the seven summits in the stunning Mendoza range of Argentina. Go get that summit!

TREK

[TOUR DU MONT BLANC TREK](#)

The Tour du Mont Blanc trek is an incredible opportunity to completely immerse yourself in the mountains and enjoy the natural beauty of the seven valleys that surround western Europe's highest mountain.

[HAUTE ROUTE TREK](#)

The Haute Route Trek is one of the world's great multi-day treks. The route links two renowned alpine mountaineering centres, Chamonix in France, home to Mount Blanc and Zermatt in Switzerland, home to the Matterhorn.

SKI

[HAUTE ROUTE SKI TOUR](#)

The Haute Route ski tour has deservedly earned its reputation for being one of the world's great ski adventures. Embark on an epic 6 day journey crossing spectacular glaciated terrain from Chamonix to Zermatt. Love your skiing? This is a must for you!

[GRAN PARADISO SKI TOUR](#)

Ski the Gran Paradiso (4061m), the highest peak entirely in Italy, and tick off your first 4000m ski descent. That's right, there's a whole load of downhill for all that uphill effort!
