# BOOKING ADDITIONAL NIGHTS

Whether you're arriving a little earlier to settle in before your trip or prefer to stay on and relax after your trip, we're more than happy to help you book additional nights before or after your adventure.

## MANY OF OUR CLIENTS CHOOSE TO ADD EXTRA NIGHTS TO:

- Enjoy a more relaxed arrival before the trek begins
- Explore the surrounding area at their own pace
- Have a comfortable place to rest and recover after their trip
- Coordinate with flight schedules or onward travel plans
- Ease their jetlag
- Make use of our [luggage transfer](#) service, which requires pre- and post-trip accommodation

## HOW IT WORKS

You fill out the form below and you'll receive a payment request. As soon as payment is received, we'll proceed with securing your additional nights. We recommend booking early to avoid disappointment (if possible, no later than November for the following year). Please note that additional nights are non-refundable once confirmed.

## WHY BOOK THROUGH US?

- We ensure your extra nights align seamlessly with your trip itinerary and any possible luggage transfers
- Depending on the trip and accommodation choice, you might have the convenience of staying in the same accommodation (where possible)
- We book with hotels that we trust and that are conveniently located for you
- We take care of the admin so you don't have to
