THE CANCELLED CLUB

THE CANCELLED CLUB

Occasionally, for various reasons, some clients are sadly unable to join their trips this year. Rather than let those places go to waste, we'd love to offer them to others instead, in line with our mission to help more people get into the mountains.

All trips listed below are exactly as advertised and can't be changed or modified except for the number of people. For example, if there is a trip with 10 places and you only want 4 then in some of the cases we will be able to arrange that and adjust the price accordingly. These will be available only until the end of March. If any catch your eye, just let us know and we'll get you booked on.

We no longer have any Cancelled Club treks available for 2026. We hope to see you on another adventure with us soon!
