# GETTING TO YOUR ADVENTURE: THE HIMALAYAS

Wondering how to get to your adventure with us? We've put together some more information and tips for getting your destination. If you have any specific questions then please don't hesitate to get in touch.

For most of our clients you will need to get connecting flights changing in Dubai, Delhi or Abu Dhabi. Please make sure you leave long enough between flights as to not miss your connecting flights (We recommend using Sky Scanner to help plan your flights).

When you get to the airport you will need to pay for a Visa. Please bring with you two passport sized photos of yourself for this Visa. They don't always get used but it can speed up the process when you arrive. For most of our trips you will need a 30 day \$50 Visa. Please bring cash.

Once you've got your Visa you will be met by an Adventure Base representative in arrivals. Please keep an eye out for either your name or the Adventure Base logo. You can arrive any time on your arrival day and you can leave any time on your departure day.
